

The Charleroi School District PSSA testing window Spring 2019 is as follows:

English Language Arts	April 15-26, 2019
Mathematics, Science and Make-ups	April 29-May 3, 2019

This revised testing window was posted to take into consideration two factors that had changed since the preliminary calendar had been posted.

1. Shortening of the assessments
2. Desire for earlier results

Charleroi School District's Spring break is April 17 – 23rd, the week prior to Easter and the week following Easter. The shortened ELA assessment has three sections. Our district may administer the three sections anytime during those two weeks.
