

**Charleroi Area School District
Notice of Health Examination**

Dear Parent/Guardian:

School health law requires medical examinations of all students upon entry into school, sixth grade, eleventh grade, or in special circumstances. You are encouraged to have the examination done by your private physician as he can best evaluate your child's health and assist in obtaining any necessary treatment. The school will issue the private examination form which must be returned to the nurse by January of the current school year.

If you choose to have your child examined by the school physician, you will be notified of the time and date should you want to be present.

Name _____ Birthdate _____

Address _____ Phone _____

Physician _____

Please check one:

My child will have a private examination _____

My child will have a school examination _____

Please indicate any change in your child's health history.
