FOUNDATION GOALS

The Goals of the "Foundation" are to provide a rich variety of Educational Services, Programs and Scholarships to the Students throughout the communities that comprise the Charteroi Area School District. Another core focus of the "Foundation" must be the Professionals who are entrusted with Teaching and Inspiring our Children. Grants and Programs to enhance the classroom learning experience will encourage Teachers to develop good ideas which can turn into innovative lesson plans and encourage collaboration across multiple classrooms. To accomplish these goals, the CASDEF will pursue Private Foundations and Government Grants at the State and County levels, as well as Corporate and Individual Contributions.
